

NAVIGATING

A CAREER

IN CONSULTING

The presentation will cover the temperament required for a successful career in consulting. A typical project lifecycle from sales to completion will be presented with the focus on the soft skills necessary to manage and deliver projects successfully.

THURSDAY

OCT 17, 2019

6:00 PM – 8:00 PM

**Raytheon Amphitheater
(Egan 240)**

SPEAKER: Nancy Zupick

**Manager, Arena Simulation Consulting Services
Rockwell Automation**

Nancy Zupick is the Manager of Simulation Consulting within Rockwell Automation, she is based out of Coraopolis, Pennsylvania. She has been working with discrete event simulation for over twenty-two years and has worked on countless simulation projects across various industries. In addition to her consulting work, she enjoys mentoring students, volunteer work and spending time with her friends and family. Ms. Zupick is the co-author of the Simulation with Arena textbook. She is a graduate of the University of Pittsburgh's School of Industrial Engineering.
