Join the Boston in 3D Printing Community for an Early Fall Meet Up!

Date and time

Thu, September 22, 2022
5:00 PM - 7:00 PM EDT

About this event

Welcome back Boston Women in 3D Printing community! Together, let's re-energize this vibrant community with an early Fall kick-off. Join us in Charlestown's Hood Park at Fortify's Headquarters for an interactive evening of networking, a print lab tour, and breakout sessions. We'll share our experiences and passion for the industry. All are welcome!

Location

75 Hood Park Dr
75 Hood Park Drive
Boston, MA 02129
[View map](#)

Hosted by two new Boston Chapter Ambassadors, Danielle Kershner of Fortify and Rachael Enfield of Markforged. Drinks and appetizers will be served.

Driving and Parking Instructions:

75 Hood Park Drive on Google Maps will take you to Fortify's HQ. Alternatively you can Google the company and Google Maps will take you there as well. There is a parking garage right across the street that is FREE for the first 3 hours.

Once you walk into the building, it is the first floor on the left - you will see signs. Diagram below
